
John Deere Drive Your Future Academy

This all-girls event will focus on leadership development, remaining active in the game of golf, learning the value/impact of volunteerism, and recognizing the importance of teamwork. Applicants will be asked to define the people or circumstances that 'drive' them to take on a position of leadership and describe how they plan to apply those principles in their life. The academy will take place in the city of San Francisco, where participants will be immersed in both its historic and modern culture. The Olympic Club and First Tee of San Francisco will serve as the host venue.
